

A Prayer Before Surgery

Dear Lord, the Source of all healing,
I surrender myself into
Your creative healing hands,
knowing with certainty that
nothing can ever separate me
from your eternal love.

I give heartfelt thanks to You
for Your goodness
and Your loving kindness to me.

I give thanks for those whom I love
and for those who care for me.

Increase my confidence in Your love
for me, that I may rejoice gratefully
in Your acceptance of me.

I pledge to You the renewal of my
commitment to You
and to those around me.

I ask for renewal of my body.

Guide now, I pray, the minds and
hands of the physicians, surgeons, and
staff who minister to me, that the
blessing of health, of mind, body and
soul may be restored to me.
