

# He's Got My Six

*Written by Patti DaPra - 6/28/16*

*I've never served in the military,  
or been a soldier at war.  
But I've seen the love of a dog,  
ease the pains of that horror.*

*No truer soul you will ever find,  
a genuine companion to the end.  
Protecting your back by giving his life,  
in honor and service to his friend.*

*Yet even more you have his trust,  
despite the lack of your own.  
And his unconditional promise,  
to never leave you alone.*
